

# IMPORTANT NOTICE

## To Orange County Parents

A one time payment per school term protects your student all year long! Even if you have insurance this can help pay your high deductibles and co-pays.

✓ **SCHOOL TIME PLAN FOR ONLY \$12 PER SCHOOL TERM.**

✓ **24 HOUR EXTENDED PLAN FOR ONLY \$48 PER SCHOOL TERM.**

### Dear Parents,

Your school strives to provide a safe environment for your child while attending class and school sponsored activities. Every day accidents do happen, which may result in your child seeking medical treatment. The school (District) cannot accept financial responsibility for any expense due to these accidental injuries. Therefore, the District has arranged low cost insurance options that can help you with these medical expenses. This voluntary program does not provide coverage for interscholastic sports injuries. This program may not pay 100% of all medical expenses based on certain limitations within the policy. If your child has no health insurance or you struggle with high deductibles or co-payment for his/her health insurance, we strongly encourage you to read more about the options the District is making available to you this school year! Reduce your costs and protect your child with these low, one time annual costs.

**ORANGE COUNTY SCHOOL DISTRICT SUMMARY OF STUDENT INSURANCE**  
**Underwritten by Reliance Standard Life Insurance, 1100 East Woodfield Road, Two Woodfield Lake, Schaumburg, IL.**

**EXCESS INSURANCE**

The Certificate of Insurance summarizes the policy provisions and benefits. This policy will not pay 100% of all incurred medical expenses. Policy limits and exclusions apply. Policy benefits are payable, subject to the limits specified on the front page, for accidental bodily injury resulting from a covered accident (or covered illness if the optional In-Hospital Sickness Benefit Option is purchased). The company will pay the reasonable cost of covered eligible medical charges not to exceed the maximum benefits listed in the policy (summarized in this form). The maximum benefit payable for any one covered accident is \$25,000.00. The maximum payable under the optional In-Hospital Sickness Benefit Option is \$5,000.00 in the aggregate for all covered in-hospital expenses due to covered illness or disease. First medical treatment by a licensed physician or dentist for a covered condition must be obtained within thirty (30) days from the original date of the covered injury or condition to be eligible for policy benefits. The company will pay for covered medical charges for treatment and care rendered within 52 weeks after the date of a covered accident or condition.

**POLICY DEFINITIONS:** "Covered Accident" means bodily injury of the insured that results directly and independently of all other causes from a covered accident occurring while the policy is in force. Self-inflicted injuries caused by prolonged over exertion, stress or strain, or disease process or aggravation of an existing condition is expressly excluded from coverage under the accident policy. "Covered Charges" means reasonable charges which are not in excess of usual and customary charges; not in excess of the maximum benefit amount payable for services specified below; services and supplies which are not excluded from coverage; and services and supplies which are a medical necessity for treatment of the covered accident. "Pre-Existing Condition" means any physical condition for which the existence of symptoms would cause a normally prudent person to seek medical care or advice. Physical condition includes any complication or residual of a prior illness, condition or disease the person was advised or treated for in the six (6) months before the effective date of the Insured's coverage under the policy. "Sickness" means an illness or disease for which symptoms first originate and for which medical treatment is rendered by a physician while this Endorsement is in force. All related conditions and recurrent symptoms of the same or a similar condition will be considered one sickness. "Hospital" means a licensed or properly accredited general hospital which is open at all times and operated primarily and continuously for the treatment of and surgery for sick and injured persons as inpatients under the supervision of one (1) or more legally qualified physicians available at all times with continuous, twenty-four (24) hour nursing services by Registered Nurses on duty or call. "Hospital" does not mean a facility that is primarily a clinic, nursing, rest or convalescent home, or an institution specializing in or primarily treating mental or nervous disorders, alcoholics or drug addicts. "At-School Accident Coverage" applies while a covered person is in attendance at the school during the hours and on the days that school is in session; participating in activities, except as a spectator, which are exclusively school-funded, school-sponsored, school-supervised and scheduled by the school on or away from school premises, during or after school hours or school-sponsored religious instruction; traveling directly and without interruption to or from the covered person's residence and the school for regular school sessions or such travel time as is required, however, not to exceed one (1) hour before the regular school classes begin and not more than one (1) hour after school is dismissed; injuries sustained while participating in a school-scheduled, school-sanctioned interscholastic sports practice or competition at or away from school premises are not covered. "24-Hour Accident Coverage" includes "At-School Coverage" and extends coverage to twenty-four (24) hours per day while a covered person is at home, school or on vacation. Under the 24-hour coverage plan, the same benefits, limitations and exclusions of the "At-School Coverage" plan will apply. No benefits are payable for injuries sustained while practicing for or participating in interscholastic sports. Additional policy terms and provisions apply which are stated in the Master Blanket Accident Insurance Policy issued to the school district and on file for your review. "Effects of Other Coverage" means the insurance coverage provided under the policy shall be "EXCESS" to any other collectible insurance or plans, including but not limited to auto P.L.P. and auto medical payments, HMOs or PPOs, subject to limits stated in the policy when total charges for treatment of a covered accident are in excess of \$250.00. Third party subrogation rights are reserved. Total payments by all insurance plans, including HMOs or PPOs, shall never exceed the total medical expenses incurred.
