

**PASCO UPDATED 09/07/2018 IMPORTANT NOTE:** It is the parent responsibility to file with any primary insurance first. If you have primary insurance and do not follow the primary guidelines, this insurance will process your claim as if you did stay in your primary insurance network. Additional out of pocket expenses will then apply. These providers of service have agreed to accept the insurance for most services, not all services. It is the insureds responsibility to ask the provider what expenses they will be responsible for paying, if any. The student accident policy contains limited benefits and may not pay 100% of billed charges. All benefits will be paid according to the limited benefit scheduled outlined in the summary of the insurance policy. Please visit [www.schoolinsuranceofflorida.com](http://www.schoolinsuranceofflorida.com) for more information or contact School Insurance of Florida 800-432-6915.
